

Home Learning Grid – Winter

		
<p>Learn to play a new game with your family. It could be a board game or a game such as Mrs Brown went shopping, eye spy (using the letter sounds).</p>	<p>Practise doing up your coat and putting on your gloves ready for cold frosty days. If you can do that already: Jump up and down 20 times Run on the spot 20 times How does your body feel after you have done lots of exercise, does it feel the same or different, how?</p>	<p>Find out about an animal that likes winter. Learn something about the animal that you would like to tell your friends at school.</p>
	<h3 style="text-align: center;"><u>Winter Challenge</u></h3> <p>Here are some challenges for your child to explore at home. You can pick and choose when you do them. Send us pictures or videos on Evidence Me for us to share with the class.</p>	
<p>What is your favourite Christmas or winter story? Draw a picture from the story. Tell your grown up why you like the story and add it to your picture.</p>		<p>Practise writing your name or Once you can do up your zip on your own, make a certificate that says "I can do up my zip."</p>
		
<p>Practise writing your numbers or Choose a 3d shape for example, a sphere, cube, cuboid, cylinder or cone. Can you find the shape around your house? How many can you find?</p>	<p>Can you create a winter picture? What could you use? What animals would be in your picture? What would the trees look like?</p>	<p>Go on a winter walk on a frosty morning. What has changed since the Autumn? Ask a grown up to help you investigate frost. What it is and where it comes from?</p>
