# Pupil premium strategy statement - St. Wilfrid's C of E Primary School

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

## **School overview**

Detail	Data
Number of pupils in school	413
Proportion (%) of pupil premium eligible pupils	51 pupils – 12.3%
Academic year/years that our current pupil premium strategy plan covers	2024-2027
Date this statement was published	November 2024
Date on which it will be reviewed	November 2025
Statement authorised by	Simon Hateley
Pupil premium lead	Emma Russell
Governor / Trustee lead	Ruth De Mierre

### **Funding overview**

Detail	Amount
Pupil premium funding allocation this academic year	£75480
Pupil premium funding carried forward from previous years	-£4696.18
Total budget for this academic year	£75480

## Part A: Pupil premium strategy plan

## **Statement of intent**

Our intention is that Pupil Premium children make good progress and demonstrate good attainment across all areas of the curriculum. Our provision is informed by robust research evidence, evaluation of the impact of strategies implemented in previous years and needs assessment of current pupils in receipt of pupil premium funding. We have allocated the Pupil Premium Grant to make sure all children have their needs met according to the tiered approach in line with Educational Endowment Fund (EEF) recommendations: Enhancement of Universal Quality First Teaching; Targeted academic interventions; Wider strategies including pastoral support. We carefully track the impact of this funding on the attainment, progress and welfare of our disadvantaged children.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge		
1	Low attainment on entering the school at EYFS or in later year groups and/or specific additional educational need		
2	Social and emotional issues affecting self-esteem, resilience and growth mindset when approaching work		
3	Lack of opportunity for extra-curricular activities and support/resources for learning at home		
4	Disruption to life outside of school resulting in low attendance		
5	Lack of opportunity for experiential interactions with the arts and the wider world		
6	Children arriving at school without the necessary resources		

# Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	2024-2025	2025-2026	2026-2027
To close the gap in progress and attainment between PP children and non-PP children in reading (including phonics in KS1), writing, maths and GLD (EYFS).	% of PP children making expected or better progress increases and gap in progress between PP and non-PP pupils reduces. Gap in attainment between PP children (non-SEND) and non-PP in reading, writing and maths in years 1-6 reduces.			

	<u>Year 2023-2024</u>		
	Whole School phonics pass – 82%		
	Non-PP phonics pass – 86.4%		
	PP phonics pass – 85.7%		
	5 children disapplied – 1 of which is PP.		
	% of PP children (non-SEND) making a good level of development in EYFS increases.		
To ensure	Tracking shows all PP children have been provided with opportunities to attend		
that all PP	enrichment activities including school based clubs and both internal and external		
children can access	sports events.		
curriculum			
enrichment	Tracking shows that the % of PP children that play an instrument has been increased.		
activities – including			
those related	All pupils will have access to an arts-based workshop at least once across the year.		
to			
performing arts.	All pupils to watch a full performance – this could be in school or at an external site.		
	Pupils report positive impacts on emotional health and self-esteem.		
	Pupils in all year groups to participate in Learning in the Outdoors. Pupils, teachers and parents report positive impact on learning behaviours, social skills with peers and		
	emotional health.		
To ensure	Teachers, pupils and parents report positive impact of specific interventions on		
pupil's	emotional health.		
emotional health is			
supported so	Tracking of behaviour incidents shows reduction in numbers of children/incidents		
that they will	referred to SLT.		
enjoy and	Learning walks identify positive learning behaviours in the electropy and exective		
engage with	Learning walks identify positive learning behaviours in the classroom and constructive		

school and demonstrate effective behaviour	interaction/play with peers. Learning walks and pupil voice demonstrate positive connections being cemented		
for learning.	between all parties.		
	Thrive assessments demonstrate a positive increase.		
To close the gap in attendance between PP children and non-PP children.	Termly tracking of attendance shows improved attendance for those at risk of persistent absence. <u>Year 2023-2024</u> Non-PP 32.1% Whole school 6.7%		
	Gap between PP and non-PP for absence is reduced.		
	<u>Year 2023-2024</u>		
	Non-PP attendance 95.3%.		
	PP attendance 91.9%		

# Activity in this academic year

This details how we intend to spend our pupil premium funding **this academic year** to address the challenges listed above.

## High Quality Teaching

Budgeted cost: £4930

Activity Evidence that su	oports this approach Challenge addressed	Progress towards goals
---------------------------	---	------------------------

<ul> <li>Mentoring and coaching for teachers</li> <li>Professional development to support the implementation of evidence—based approaches</li> <li>Development of subject leadership.</li> <li>Staff PD meetings.</li> <li>INSET and twilight training around core learning skills.</li> <li>RWI Phonics.</li> <li>I Am A St Wilfrid's Writer approach.</li> <li>Power Maths.</li> <li>Time for staff to work with phase leaders and year group partners to reflect on progress and needs of PP children.</li> </ul>	"Evidence indicates that high quality teaching is the most powerful way for schools to improve pupil attainment, especially for socio-economically disadvantaged pupils." EEF Evidence Brief <u>https://educationendowmentfoundation.org.uk/education- evidence/using-pupil-premium</u> "There is some evidence that mentoring can have small positive impacts on mentee pupil attainment and literacy. Mentoring can also lead to a range of positive outcomes for mentees, including improved teaching practice, confidence and self-belief, enhanced teacher student interactions, and an improved classroom environment." National institute of teaching – Mentoring and Coaching of Teachers. <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/phonics</u> <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/reading-comprehension- strategies</u>	1	
<ul> <li>Developing high quality teaching, assessment and a broad and balanced, knowledge-based curriculum that responsible to the needs of pupils.</li> <li>Identifying of focus pupils and strategies to support</li> </ul>	<ul> <li>EEF research has identified effective feedback to pupils as having very high impact for low cost (additional 6 months progress)</li> <li><u>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/feedback</u></li> <li>Disadvantaged pupils with SEND have the greatest need for excellent teaching. progress of pupils with SEN.	https://thirdspacelearning.com/blog/quality-first-teaching/		
	Currently 22 children with SEN are also PP children.		

## Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £45530

Activity	Evidence that supports this approach	Challenge number(s) addressed	Progress towards goals
Teaching assistant deployment and interventions.	EEF research has demonstrated that TA are most effective when delivering evidence based targeted interventions.	1	
<ul> <li>TA professional development to develop key skills and understanding of effective interventions (monthly whole team training sessions and targeted training as need identified).</li> <li>Supporting high quality provision in the classroom.</li> <li>Delivering evidence based interventions.</li> <li>Trained learning mentor/Thrive practitioners to provide targeted support to impact on emotional wellbeing to enable greater success in the classroom.</li> <li>Shine interventions.</li> </ul>	<ul> <li><u>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/teaching-assistants</u></li> <li>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind.</li> <li>Strategic deployment of teaching assistants is important to ensure that priority pupils are supported EEF</li> <li>TAs should be fully prepared for their role in any given lesson or intervention and their input should complement (rather than replace) high quality provision from the teacher EEF</li> </ul>	2	
<ul> <li>Use of Insight technology to track intervention impact.</li> </ul>			

<ul> <li>Additional TA support in EYFS to support pupils with higher needs on entering EYFS (social and emotional, speech and language).</li> </ul>	Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind. <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/social-and-emotional- learning</u> Currently, there are 8 out of 10 children identified as needing SEN support in EYFS. Of the 4 PP children in EYFS all 4 are also identified as having SEN.	1 2	
<ul> <li>Additional phonics intervention (RWI Fast Track Tutoring) and number intervention for PP in EYFS (following baseline assessment) and Years 1 and 2 using information from half termly RWI assessments.</li> </ul>	Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/phonics</u>	1 2	
<ul> <li>HLTA timetable provides release time for teachers to provide small group tutoring/intervention for Year 5 and Year 6 pupils (targeted following analysis of progress data from previous term).</li> </ul>	Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind. <u>Small group tuition   Toolkit Strand   Education</u> <u>Endowment Foundation   EEF</u>	1 2	

## Wider strategies

Budgeted cost: £25020

Activity	Evidence that supports this approach	Challenge number(s) addressed	Progress towards goals
<ul> <li>Supporting pupils' social, emotional and behavioural needs.</li> <li>Play Therapist to provide 1:1 therapy to support the emotional health and well-being of pupils. Initially 12 sessions.</li> <li>1x learning mentors (50%) to provide 1:1, nurture group and other group intervention to</li> </ul>	EEF research demonstrates that improving children social and emotional skills has a positive impact on education and other outcomes later in life.         https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning         https://www.thriveapproach.com/about-thrive/about-us         https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning	addressed 2	
<ul> <li>support pupil's emotional health, well- being and social skills.</li> <li>Thrive practitioners to support 1:1 and group of children.</li> <li>Thrive training and support for all staff.</li> </ul>	https://www.archbishopofyorkyouthtrust.co.uk/young- leaders-award		
<ul> <li>Lunchtime club to support pupils for alternative lunchtime provision.</li> <li>Sports Leaders to support the social engagement of children at playtimes.</li> </ul>			

<ul> <li>Development of Pupil Parliament and Young Leaders.</li> </ul>			
<ul> <li>Supporting attendance.</li> <li>Commissioning the expertise of an Educational Welfare Officer to provide support and advice for our most persistent non-attenders.</li> <li>Engagement of phase leaders and teachers with repeat non-attenders.</li> <li>Tracking of attendance trends.</li> </ul>	"Poor attendance at school is linked to poor academic attainment across all stages. Some parental communication approaches and targeted parental engagement show promise in supporting pupil attendance." EEF	4	
Extracurricular activities.	Pupil voice.	5	
<ul> <li>Use of West Sussex peripatetic instrument teachers and support from school staff to access bursaries.</li> </ul>	Link with SDP focus on development of the performing arts. Impact on Thrive assessments and tracking.		
<ul> <li>Funding for school based clubs and both internal and external sports events.</li> <li>Funding for arts-based workshops.</li> <li>Funding for arts-based performances.</li> <li>Funding for trips.</li> </ul>	"Extra-curricular activities are an important part of education. These approaches may increase engagement in learning but it is important to consider how increased engagement will be translated to improved outcomes." – EEF <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/arts-participation</u>		

• Funding for Learning in the Outdoors.			
Breakfast clubs and meal provision	"There is some evidence that providing free, universal, before school breakfast clubs a can benefit pupils by	3	
<ul> <li>Funding for places in breakfast and after school club during times of need.</li> </ul>	preparing them for learning or supporting behaviour and school attendance." - EEF	4	
<ul> <li>Administration of food bank vouchers.</li> </ul>		6	
Communicating with, and supporting, parents.	https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/parental-engagement	3	
<ul> <li>Signposting to other external sources of support.</li> </ul>		4	
<ul> <li>Supporting with completion of paperwork.</li> </ul>		6	
<ul> <li>Supporting with the use of technology.</li> </ul>			
<ul> <li>School website for sharing information and sources of support.</li> </ul>			
<ul> <li>Supporting with the provision of resources so that children are adequately equipped for school.</li> </ul>	"Wearing a uniform is not, on its own, likely to improve learning, but can be successfully incorporated into a broader school improvement process which includes the development of a school ethos and the improvement of behaviour and discipline." - EEF	6	

# Total budgeted cost: £75480

### Schedule of Payments PP Strategy – Challenge 6 2024-2025

### Supporting with the provision of resources

Purchases to be agreed with PP Lead in advance and receipts required prior to reimbursement

Item	Frequency of payments per academic year	Maximum amount available per purchase
Coat	1	£20
Shoes	1	£20
P.E. top	1	£9.25
School jumper or cardigan	2	£12
White polo tops Based on a pack of 5	1	£8
Skirt/dress/trousers/shorts	2	£12
School bag	1	£10
Year 4 pupils only – Swimming equipment	1	£10
