

What a week!!

It has been really fabulous to have all our children back under one roof and to see them in person rather than through a screen.

We have enjoyed settling everyone back into our routines and our playgrounds have been filled again with the noise of children playing together.

While the school is not quite back to 'normal' yet, the children have been reconnecting and engaging in their school learning.

If you have any questions or need to share something with your child's class teacher then please continue to contact them through the year group emails.

IMPORTANT DATES

Bikeability for Year 6

W/b Monday 15th March

Comic Relief

Friday 19th March

Easter Projects begin

Monday 22nd March

Last day of Spring Term

Thursday 1st April

INSET

Monday 19th April

First day of Summer Term

Tuesday 20th April

Welcome

2021
Newsletter

Our Celebration Worships

We enjoy celebrating the learning at our school every Friday. We continue to share these on the school website

https://www.stwilfrids-hh.school/web/celebration_assemblies/505970

And through our school twitter account @stwilfshh, please follow us if you haven't already!

Comic Relief – Friday 19th March

With Red Nose Day fast approaching, we wanted to show our support for the charity by inviting everyone to wear something red or come dressed as a superhero (the theme of this year's Red Nose Day). Children can either wear something red replacing a part of their school uniform or come completely dressed in red or come dress as a hero. To make a donation, rather than bring in money, we are asking people to go straight to the donate page for comic relief following the link below.

19 MARCH 2021

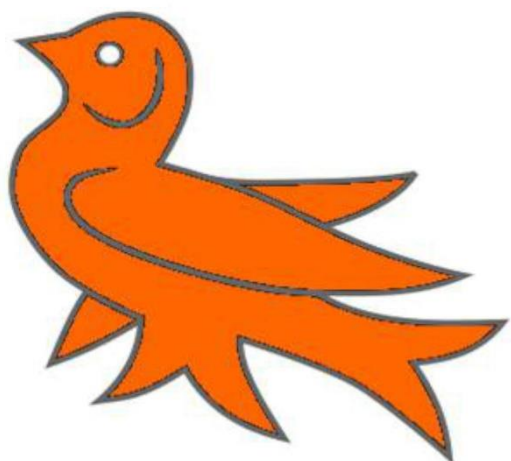

OUR VALUE THIS HALF TERM

Each term we focus on one of our values, which is embedded into our learning to help the children understand and appreciate their environment, the wider world and to help them be the best they can be.

This term of value is **RESPECT**.

We **RESPECT** each other as individuals for both our similarities and differences. Our compassion shows the value we place on every member of our school, community and the wider world.

'Do to others as you would have them do to you.'

Luke 6:31

Scooters and Bikes

It has been really great to see so many of our children using scooters and bikes to come to school. Children are not allowed to ride their scooters and bikes on the playgrounds and school site for safety reasons.

Our Grounds

Over the last 12 months, supported by FOSW, we have continued to develop our grounds to allow our children to have more opportunities.

During the lockdown, our Forest School shelter has had sides added to create a space which can allow greater use...whatever the weather!

Our allotment continues to grow (excuse the pun) and we now have potatoes, planted by Year 5 this week, growing. Over the next few

weeks, Year 4 will be planting sweet peas and our whole school community have started to plant sunflowers which will eventually go around the school grounds.

Finally – for now – our new orchard is taking shape. Each class will be planting a fruit tree to create an orchard at the side of the Infant playground.
