## Sheep Week – May 2025

Our fluffy visitors (Sheila, Zebedee and Crumpet) spent the week on our school field and we enjoyed hosting them. From visiting the sheep, to learning about the different breeds, to making a clay model, to using wool for different craft and lots more activities, the children, staff and our community enjoyed having this experience. A big thank you to Farmer Janet for loaning us the sheep and to the South of England Agricultural society for organising the 'loan a lamb' scheme. Also, a massive thank you to our team of Year 6 shepherds who looked after our guests very well.

# Easter Projects

In the week before our Easter holidays and the week after, each year group spent time learning more about the events of Easter. On Wednesday 23<sup>rd</sup> April we held our annual 'Easter Stations' morning with different activities relating to the different events at Easter. This year, we focussed more on the events which took place after Good Friday and the team from our parish churches came in to support at each of the stations.

Our Year 6s visited Christ Church to have the events of the Easter story shared with them.

## Language of the week

Every week at St Wilfrid's we focus on a 'Language of the Week'. This helps us to celebrate the many different languages spoken by our school community. To see all the different languages we celebrate, see our dedicated webpage [St Wilfrid's C of E Primary - Language of the week \(stwilfrids-hh.school\)](http://stwilfrids-hh.school)
