

St Wilfrid's CE Primary School

PE & Sports Autumn Report

In October, the boy's football team travelled to Warden Park to take part in the Haywards Heath 7-a-side tournament.

The boys started the afternoon with a 0-0 draw against Northlands Wood in an entertaining game that could have gone either way. Unfortunately, their next two group games ended in defeat meaning they finished third in their group but were unable to qualify for the semi-finals.

A fifth place playoff against St. Joseph's followed. The boys worked incredibly hard and showed they had improved over the course of the tournament but were again unable to avoid defeat.

Despite it not being the afternoon they wanted, the boys still showed great enthusiasm, determination and sportsmanship.

Thank you to the parents and carers that transported the boys.

The squad for this tournament was: Rhys, Henry, Jonathan, Christian, Elijah, Jack, Linus, Sam, Samuel and Levent.

Intra-House

In the first half term of the year, all of the children took part in their first intra-house competition of the year. The children played against the other house teams in games of boccia. Well done to Blue team who came out on top.

Indoor Athletics

After the half term break, 20 Year 5 and 6 children took part in an indoor athletics event at Warden Park Academy.

The children took part in a range of running, jumping and throwing events to earn points as a team.

All the children did an excellent job helping us to third place finishes in nine events and one second place finish. This meant that the children finished third overall which was a fantastic achievement.

Thank you to the parents and carers that were able to transport the children to and from this event.

The squad for this event was: Chloe, Bethany, Matilda, Phoebe, Kacey, Emma, Emily, Izzy, Danni, Jonathan, Linus, Samuel, Jacob, Jack P, Josh, Henry, Sam, Jack B, George and Cohen.

Boccia and Kurling

In November, nine Year 5 and 6 children took part in a New Age Kurling and Boccia festival at the Triangle leisure centre.

This was a fantastic opportunity for the children to apply and practise the skills they have learnt and would need in their intra-house competitions.

All the children represented the school brilliantly showing fair play and sportsmanship. There were also lots of excellent shots and improvement throughout the morning. Thank you to the parents and carers that

transported the children and the ones that were able to stay and support them.

The squad for this event was: Tom, Ollie, Charlie M, Charlie B, Mia, Zara, Tsiona, Megan and Amber.

Intra-House Competition

In the second half term, we carried out our second intra-house competition as all children took part in New Age Kurling. Congratulations to Yellow team who won the event.

Football Tournament

In November, nine Year 5 and 6 girls took part in the Haywards Heath football tournament at Warden Park Academy.

The girls beat St. Peter's, Lindfield and Holy Trinity in the group stages to progress to the semi-finals where they beat Bolnore Village. This set up a rematch against Lindfield in the final. The girls ran out 3-0 winners to be named Haywards Heath champions two years in a row.

This also meant that they took part in the Mid Sussex Area Finals the following week again at Warden Park Academy.

Again, the girls were incredibly successful and made the final and for the third time this year; faced Lindfield. Unfortunately for the girls, it was one game too many as Lindfield ran out winners.

This was still an incredible achievement from the girls though and one we are very proud of as a school.

The members of the squad for these tournaments were: Bella, Maegan, Chloe Emma, Matilda, Charis, Mia, Kacey and Abigail.

Thank you to the parents and carers that transported the girls to and from these events.

Cross Country

The term's competitions ended in early December as 16 Year 5 and 6 children took part in the annual cross-country race at Warden Park. A chilly and early start saw the girls tackle the course first. All of the girls showed great determination and resilience and made sure that they at least jogged the whole course and finished it. Special mention to Maegan, Emma and Evie who finished 10th, 19th and 20th respectively. This means that they will now make up part of the Mid Sussex squad in the new year along with children from other schools that finished in the top 25. The boys were next and followed in the girl's footsteps. Well done to Samuel who finished 22nd and will join the girls in the Mid Sussex squad. Thank you to the parents and carers that got the children to and from this event and supported them.

The squad for this event was: Jacob, Evie, Molly, Maegan, Emma, Bella, Mia, Samuel, Jennifer, Linus, Elijah, Bethany, Jack, Phoebe, George and Henry.

Well done to all the children for their effort and enthusiasm for PE and Sport at St Wilfrid's!
